

BOOKING YOUR SAFARI

Once you have determined the dates and length of your safari, call to reserve your space and we will invoice you for your deposit of 25% (non-refundable) of the total land portion of your trip. This will hold your reservation. You will be invoiced for the remainder approximately 61 days prior to departure and final payment must be received 45 days prior to departure. Refunds are based upon the schedule set out in the Terms and Conditions.

Current rates are based upon 2009 pricing. However, we cannot guarantee airfares will not increase. If we are booking any inter-Africa air portion for your safari, that increase will be passed along, and you will be notified prior to final payment due date.

We do accept most major credit cards, including Visa, MasterCard, Discover and American Express, on your package price. Prices quoted are based on cash payment. Please call for further information regarding credit card payments.
